\*\*\* Notice For Guests Using this Service \*\*\*

- Overbooking , bad weather , and equipment maintenance may lead to your desired program being unavailable
- We reserve the right to suspend the service or change departure time , maximum guests , and age restrictions due to climate , ocean , or other conditions
- We may not allow certain individuals to participate in certain programs due to age restrictions and restrictions concerning health and clinical histories
- You may not participate in the diving program if you have asthma, pneumothorax , pulmonary tuberculosis , epilepsy , diabetes , heart disease , high blood pressure , or are pregnant or plan to fly on an airplane the same day. Also , we may require submission of a health certificate for guests ages 60+ , please confirm these details before participating
- The time required for the program is a rough estimate and includes the trip to and from the activity location , the program explanation , and the time for the activity itself
- For all programs , we ask that children of elementary school age and younger (junior high school age and younger for the diving program) be accompanied by a guardian (age 18+). In addition , all minors must provide written consent from a parent or guardian

- Fees include tax. Fees for children junior high school age and older are the same as those for adults
- We may require a set cancellation fee for cancellations performed by the customer  
(50% for cancellation the day before and 100% for cancellation the day of the activity)
- Please refrain from participation in the program if you are feeling ill or when you are intoxicated
- We reserve the right to change the description of the program details or fees without notice
- We cannot provide shuttle services for those who make reservations for the whale shark program the same day as the program
- For safety reasons , please follow all instruction made by staff and instructors
- If there are no special notations or instructions at the time you make your reservation , the meeting place for the program will be at the first floor Marine Counter
